

SCHOLARS IN SERVICE – JOB DESCRIPTION

Our mission is to **empower individuals and their families to live productive, self-reliant lives**. To break the cycle of multigenerational poverty, RaB improves family's economic security by implementing a continuum of evidence-based, cradle-to-career services to help both children and adults succeed academically, complete college education, find meaningful careers, and become tomorrow's leaders.

We welcome you to join us on our team as we work on paving the way for a better community!
