

SCHOLARS IN SERVICE – JOB DESCRIPTION

Wesley United Methodist Church

We are a community of people from many different walks of life, who believe that God has drawn us together to be the visible sign of God's wildly inclusive love. We believe that God asks us to boldly share God's love with all people as we seek to follow the path of Jesus. We don't have all the answers but we ask a lot of questions, we worship, we laugh, we cry, we pray and we serve. We welcome you to join us on the journey of growing in Christ as we seek to be bold witnesses of God's love! Check us out at wesleyfresno.org and facebook.com/wesleyfresno
