FOOTNOTES:

Prerequisites/Corequisites: Other restrictions may apply. Please see your course catalog for detailed prerequisite/corequisite requirements.

Grade Requirements: CR/NC grading is not permitted for courses in the French major. Students must receive a minimum grade of C in each upper division course used toward the French major.

Major Requirements: Only 3 units of courses taught in English may be applied to the French major. Consult with a French advisor to determine which required lower division courses, if any, may be waived. Waiver of required units for the major does not reduce the total number of units required for the awarding of the bachelor's degree. Up to 6 units of FREN 120T and 6 units of FREN 132 may be applied toward the French major.

General Education: A maximum of two courses from one department may be used simultaneously to satisfy the GE and major requirements. If the French major is the secondary major, this limitation does not apply. Consult a faculty advisor for additional details. Students majoring in French cannot count French courses for GE Integration IC.

Electives (25-31 units): Units in this area may be used toward a double major or minor. Students must earn a minimum of 120 units total to graduate. The number of required elective units may vary, depending on the amount of units earned from major and GE courses.

Upper Division Writing Skills requirement (UDWS): All undergraduate students must demonstrate competency in writing skills by passing the Upper Division Writing Exam (UDWE) or by obtaining a C or better in an approved upper division writing course, identified by the letter "W."

Substitutions: If substitutions/exceptions/waivers are made for any major courses that also meet GE and/or the Multicultural/International graduation requirement, the student is responsible for completing additional courses to satisfy the respective areas (GE and/or MI). This also includes the upperdivision writing requirement.
