

Fall 2026 Final Examination Schedule

December 14 – 17

You may avoid the possibility of three or more final examinations falling on the same day by checking your program with the schedule printed below. You should be aware of potential conflicts between one-day and two-day a week classes. Consult with the instructor.

A class held for more than one hour per day will follow the examination time for the earliest hour of its meeting.

A class meeting one day per week will follow the appropriate schedule for

its designated starting time. If a one-day class has a room conflict with a two to four-day class, the one-day class will move to the nearest available room as determined by the instructor. Finals are to be given in regular classrooms used during the semester.

When two one-day classes are in room conflict, the class, or the department to which the rooms are assigned has priority. The other class will move to the nearest available room as determined by the instructor.

Multiple section courses that wish to give a common final exam may do so on Saturday, December 12th with advanced approval of the department chairman and the college/school dean.

Arrangement for final examinations that need to be held at a time other than shown in the schedule must be made in advance, subject to the approval of the department chairman and the college/school dean.
