Assignment Tab

11) Instructor ID	Enter the <u>correct Emplid</u> - hit “Tab” on your keyboard. Instructor has to have a row in his/her Instructor/Adviser Table – Approved Courses for this class. If replacing an instructor for a class section, you must “minus” out the current instructor row (click on the minus “-” box), and then input the new instructor. DO NOT delete the old Emplid and type over with the new Emplid. You MUST minus out the old row first.
12) Instructor Role	Choose the appropriate Instructor Role. <i>Only Primary Instructors will have Grade Roster Access.</i>
13) Print Box	This box will be checked by default and means the instructor’s name will display in the Class Search.
14) Access	Select “Approve” from the drop-down menu for the instructor who will be assigning the grades. Approve = can enter grades and approve the grade roster. “Grade” and “Post” are not allowed.
15) Empl Rcd#	Verify this is the active job record for <i>that</i> instructor for <i>that</i> semester. This field will default to a value of “0,” but that is not necessarily correct. To find the correct job record #, run <i>APDB Term Workload – Job Data Audit Report</i> or click on the magnifying glass to search.
16) Job Code	This value should appear once the instructor Emplid has been entered and you hit “Tab” on your keyboard. The code should be the actual job code for the active job record. If the code does not display, the job record is probably wrong.

Workload Tab

17) APDB Dept.. ID	Verify the APDB Dept.. ID is correct.
18) Load Factor	Should be 100.0000. If instructors are Team Teaching enter the portion, i.e. 50 and 50. Cannot be a decimal (e.g. 30.5 = wrong).
19) Workload	Verify the instructor’s workload is calculated accurately.
20) Auto Calc	This box should already be checked. Assignment FTE % will automatically display.

End of Report shows Note description.

- This class meets the minimum university requirements for a service-learning course, which includes: (1) the service-learning component is integral to and supportive of the academic focus of the course; (2) the course has a mechanism to introduce the service ethic; (3) students are required to perform at least 15 hours of academically relevant community service; (4) service-learning accounts for at least 15% of the total course grade; and (5) structured opportunities for critical reflection on the service experience are provided.
- CR/NC - Credit/No Credit Grading only. You may find the definition of CR/NC in the current California State University, Fresno General Catalog under Academic Regulations, Explanation of Grades.
- Web-Enhanced classes meet during regularly scheduled class times, and use Blackboard or other technology to deliver class materials. Up to half of the traditional class time may be replaced with on-line instruction.
- Web-Based classes are taught entirely on-line. Unlike a traditional class, a web-based class does not meet in a classroom for instruction, although students may be required to meet for an in-class orientation or to take exams. Web-based classes require the same amount of work and hours as a regular class.
- This section has a prerequisite. For more information, please refer to the current California State University, Fresno General Catalog or consult with your academic adviser.
- Secure permission to register from the department office.

» Topics Courses

Topics courses:

- Are courses departments offer occasionally.
- Are shown in the catalog with the generic “parent” course approved for each department/program and the “child” courses listed underneath.
- A "child" topics course can be offered a maximum of 5 semesters, after which the course needs to be either discontinued, or go through the curriculum approval process to be converted to a regular course. NOTE: *Once a child topics course has been created, it must be offered with the same title and description for the maximum 5 semesters, or it will not be accepted.*
- A Topics Course Proposal form must be completed and turned into the Scheduling Office for each topics course that is to be offered in a particular semester, even if it has been offered in previous semesters.
- Topics Course Proposals are due 2 weeks prior to registration.
