RE: Authorization of flexible interpretation of APM 206

By a unanimous vote, the Executive Committee of the Academic Senate has approved flexible interpretation of Section II, A, second paragraph only, and Section III, B or APM 206. Given the ongoing COVID crisis, many courses may still need to be offered in a virtual (synchronous or asynchronous) or online manner. To help with this, a few of the more restrictive details on providing courses virtually are suspended.

This authorization will expire on December 31, 2021.
