RE: Request for change to APM 335 (Policy on Periodic  
Review of Academic  
Administrators)

---

After consultation with the Provost, it seems that it might be worth considering a change in the frequency of review of all deans. Currently each dean is reviewed every five years. However, many deans are not staying in these positions that long, so no review is taking place. It is worth considering a change so that deans are reviewed every three years.
