TO: Thomas Holyoke, Chair, Academic Senate
Saul Jimenez-Sandoval, Provost

FROM: Kathleen Dyer, Chair, Department of Child and Family Science

After many months of internal deliberation and discussion with colleagues across campus, and in accordance with the policies outlined in the APM 113, the faculty of the Department of Child and Family Science request of the Academic Senate and of the Provost to move our department from the Jordan College into the College of Social Sciences. We believe that this will be a better placement for our faculty and our students, and one that is a better fit for our discipline more generally.
