RE: MS in Biology Application Requirements Change

From: Dr. Maritere López 
Chair, University Graduate Committee

The University Graduate Committee (UGC) met on May 10, 2022 to consider the request to change the admission requirements for the MS in Biology. Based on the proposal and justification provided, the UGC voted unanimously to approve the changes, including the deletion of GRE scores and the addition of a diversity statement.

CC: Dr. Christopher Meyer, Dean, College of Science and Mathematics
Dr. Joy Goto, Interim Dean, Division of Research and Graduate Studies
Dr. Jason Bush, Chair, Department of Biology
Dr. Hwan Youn, Program Coordinator, MS in Biology
Dr. Joseph Ross, Chair, College Curriculum Committee
