Academic Policy & Planning Committee

RE: APP Memo APM 505 – Conflict of Interest (Substantive Revisions)

This memorandum will serve to inform the Academic Senate that the Academic Policy & Planning Committee moved to approve your consideration of the following policy modification at our 11/30/23 meeting.

MSC To forward APM 505 to the Executive Committee for the Senate's Consideration.

AP&P has made changes to this APM in consultation with the Research Subcommittee and the Office of Research & Sponsored Programs who reviewed and approved the changes. The previous compliance officer brought these to our attention to ensure consistency with the CSU Conflict of Interest Code, California Government Code 87302, and federal requirements of 2 CFR 200, and individual federal agency requirements regarding subrecipient financial Conflicts of Interest.

Substantive changes include:

- Removing all procedural language and instead providing a link to the website with process information and documents.
- Revised introduction to include aligned compliance documentation/law
- Updated financial amounts, glossary of terms, investigator responsibilities, appeals, and agencies to align with current titles and requirements.
